Product Details

As the winter party season closes in, the slopes of Chamonix and Val d'Isère hold hypnotic appeal for many of us. Breathtaking scenery, superior wines and sumptuous food go hand-in-hand with boisterous entertainment, rowdy revellers and sporting endeavour. This year at Battersea Evolution join us on your chosen night for an unforgettable evening of 'Off Piste', where a non-stop party of Après-style revelling is guaranteed; an electrifying blend of ice cool glamour and red hot groove set in the exquisite surrounding of a breathtaking alpine winter wonderland.

As you sweep into the beautiful surroundings of Battersea Park, the magnificent glass frontage of Battersea Evolution glistens like an ice palace, as thousands of fairy lights draped on beautifully dressed trees illuminate it's soaring ceiling. Having disposed of your hats and coats, you are beckoned to enter a surreal iridescent forest of ice, lit magically in frosty violets and blues.

High overhead, a vast canopy of glistening icicles floats magically. Lit by a rippling wave of deep and soothing colours; it shimmers and undulates like a cosmic Aurora Borealis. From time to time it descends majestically, revealing an ice-smooth stage where a myriad of entertainment unfolds. Aerial acts swing from the starlit ceiling, skaters whirl across its surface; and acrobats and dancers fill the floor with a seething mass of energy and verve.

For those who have experienced the atmosphere of Après Ski before, be prepared for your finest and most memorable moments to be re-lived. For those Après Ski virgins - be prepared for Off Piste to take your breath away!

Our team of highly skilled Christmas party event managers are ready to take your call, so contact us today about our London Christmas parties or Christmas party venues in London.
